Skincare Lines

Thalgo

All Thalgo products incorporate the purest natural ingredients from marine and plant origin, and are renowned for their dramatic effects. Vital for health and well-being we can all benefit from the goodness of sea based treatments and products. The power of sea therapies, have been renowned for their role in revitalizing, rebalancing and healing the body. Thalgo products are used in the following facials: Intense Hydrating, Radiance & Protection, Anti Aging & Firming, Microdermabrasion & Gentlemen only.

Oxygen Botanicals

Oxygen botanicals products are infused with pure Oxygen. This line of dermatological products are formulated to regenerate, cleanse, nurture & rejuvenate your skin... restoring the youthful glow it had when you were younger. The Oxygen Botanicals product range is used in the Oxygen cocktail facial & the Remarkable results facial.

MD Skincare

The MD skincare range offers the skincare that you would expect from a visit to the dermatologist: immediate visible improvement in skin's look & condition, and over time a healthier, more youthful and vibrant appearance. The Dr. MD skincare range is used on our Alpha Hydroxy peel facial.

Kerstin Florian

Kerstin Florian product range is refreshingly light in feel & appearance; spa face products begin with an anti-oxidant to protect the skin from stress & exposure. Every product incorporates an aromatherapy infusion or phytotherapy element. The Kerstin Florian products are used for the Revive saving face facial.
